

# Revolutionary CLAIMS PAYMENT with the new **Esorse HYBRID Card**

## For the first time:

- ✓ Real-time adjudication & payment
- ✓ No additional hardware or software required
- ✓ Any regulated Practitioner can start accepting it today!

## What is it?

An industry first, the new **ESORSE HYBRID Pay-Direct Health Benefit Card** allows regulated practitioners to **file claims electronically and be reimbursed in real time**. And, because it's also a **VISA® Card**, any practice can start accepting it today! Health Care Practitioners can dramatically build their business while strengthening client relationships - all without any additional hardware, software or staff retraining.

## How does it work?

The **ESORSE HYBRID Card** has been designed from the ground up to be simple, secure & convenient - both for Health Care Practitioners and product suppliers. Here's a typical scenario:

Practitioner provides service.

Practitioner logs in and enters client number, treatment and amount online.

System provides immediate approval.

Immediate payment using client Pay-Direct Visa® Card.
